INFO: FHB	
BOARD	CHRONO

Following is the only possible, though unlikely, trace we have on
Reference Subject:

A Col, HEIGL (fau) is included in a listing of former German pilots in the SU (ZIPPER CI Report J-92, Eval: B-2, date of info: Up to August 1947—enclosure to MGLA 800), which states: "During the evacuation of North Africa, had been Deputy Chief of General Staff of Air Force commanded by KESSELAING. Since middle of 1944, had been commander of 200th Bomber Wing. Before end of war, fell in disgrace with GOERING. In January 1948 was identified as an instructor at a Soviet war academy. Residence in the SU is unknown."
